

REMARKS

Claims 8-19 and 21-35 remain in the application. Claims 1 and 3-7 have been canceled.

In the Office Action mailed October 23, 2006, the Examiner rejected claims 1 and 3-5 under 35 U.S.C. § 103(a) as unpatentable over previously cited U.S. Patent No. 4,945,769 ("Sidner et al.") in view of previously cited U.S. Patent No. 5,690,841 ("Elderstig") and further in view of newly-applied U.S. Patent No. 5,883,420 ("Mizra").

Applicants submit this amendment in response to the Office Action and request reconsideration.

Applicants have canceled rejected claims 1 and 3-7. Remaining claims 8-19 and 21-35 have been allowed. Consequently, this application is now in condition for allowance and issuance.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
